Dear Todd:

I wanted to write to thank you one more time for the awesome obedience you displayed to God's purpose as speaker of our first Wildwood Men's Conference—"Fight Like A Man." We were challenged by His truth in the fight for God's **purpose, power, priority, and passion** for our lives as an act of worship.

All feedback thus far has been overwhelmingly positive as we were able to minister to over sixty men during our time together. Our prayer as a ministry team is that this first conference will continue as an annual ministry event to impact the lives of men and to grow spiritual leaders for our families, church, and community.

One last note: I and the others feel that the inclusion of Ken Riedl was a pinnacle point during our session. Please convey to Ken once again that he has touched the hearts of men in Ashland and that our prayers will be with him and his family. I hope that the wristbands for him and his sons will be a constant reminder of that.

Hope your flight home was uneventful. Please keep in touch as we will feel free to do the same. I appreciate the relationship that God has allowed us to establish and enjoy.

For His Glory!
