Wichita, KS 67205-1667

"Todd Braschler was FANTASTIC". This was the consensus from our entire congregation when our concert with Todd had ended. I have never had any music/evangelist so well received. Todd has a tremendous talent and heart for God. He will help your church! He will inspire your members to be involved in ministry. He was a hit with everyone! In all of my 22 years of ministry he is absolutely the best I have ever encountered.
