 "Fight Like a Man" Men's Retreat  
 HOST: Westlink Christian Church Men's Leadership  
 Mr. Mike Hearne  
 Wichita, KS  
 Friday – Saturday, June 12-13, 2009

<b>After our retreat this weekend, I feel...</b>	
1. Like I have a shredded heart to be more and more at his right hand.	Mike Hearne
2. Refreshed and ready to go and get busy.	
3. Challenged to reflect on my life and how I can stay in God's power with his hand on me.	
4. More convicted and determined to draw closer to the right hand of God.	
5. Energized.	
6. Encouraged and determined to step up and be the man God designed me to be.	
<b>I learned the most about....</b>	
1. Vision, and my concern for my attitude for the lost.	
2. Slowing down my life to realize a vision. To stop, close my eyes, and see the dream.	
3. How I am living outside of the blessings of God.	
4. The need for a clear purpose and vision in my life.	
5. Becoming a Tile Mover.	
6. God's plan for me, and blessing my life to the fullest.	
7. God's love and blessings that are available.	
<b>The portion of this retreat having the greatest impact on me personally was....</b>	
1. Alignment with him in my life.	Mike Hearne
2. The testimonies.	
3. Reading how much evidence there was of mis-alignment in my life.	
4. Fighting like a Man for God's power over the enemy.	
5. Rick Braschler's testimony, and his obedience and trust in God.	
<b>My significant "ah ha" from this retreat was...</b>	
1. My need to love the lost more.	Mike Hearne
2. Holy discontent vs Spiritual Gifts, and non-negotiables vs vision.	
3. Denial of destructive sin, and what impact it has on my life, the life of my family and my outreach.	
4. How to live inside the blessing God intends/has for me.	
5. I can be as close to God as I want to be.	
<b>This retreat was different from other retreats like this for me in that...</b>	
1. It provided a way to determine practical ways to fulfill the cry of my heart for each point. Rick Braschler's testimony was powerful.	Mike Hearne
2. It was much more personal and in depth.	
3. It was very comfortable to open up.	
4. Challenged me much more on a "one-to-one" basis.
